OBJECTIVE

Java Full Stack Developer with hands-on internship experience building secure, production-ready applications using Java, Spring Boot, Spring Security, REST APIs, and MySQL. Skilled in authentication, authorization, and scalable backend design, with growing expertise in DevOps and AI technologies. Seeking to contribute to innovative engineering teams while continuing to grow as a full-stack developer.

SKILLS

Technical Skills Java, J2EE, Spring Boot, MVC and Microservices Architecture
RESTful APIs, MySQL, JDBC, Hibernate (JPA), Spring Security,
Spring ai, Docker, Kubernetes, CI-CD, Terraform , AWS, Python, FastAPI(basic).

Tools & Platforms Antigravity IDE, IntelliJ IDEA, VS Code, Git, GitHub, Postman, Jira, .

Object-Oriented Programming, Agile/Scrum.

Soft Skills Decision Making, Time Management, Cross-functional Collaboration, Adaptable.

EXPERIENCE

Augment Infotech Apr 2026 – july 2026
Java Full Stack Developer Intern Indore, India

- Contributing to enterprise-grade full-stack applications using **Java, Spring Boot, React.js, MySQL, and REST APIs** in an Agile development environment.
- Developed and maintained backend modules following the **MVC architecture**, implementing secure authentication, authorization, and RESTful APIs using **Spring Boot** and **Spring Security**.
- Collaborated with frontend and backend teams to build scalable, production-ready features, perform bug fixes, and support application deployments.

LeadFlow CRM – Lead Management System *Java, Spring Boot, Spring Security, React.js*

- Developed the **Authentication and Authorization** module using **Spring Boot**, implementing secure login and role-based access control.
- Designed RESTful APIs following the **MVC architecture** and integrated them with the React frontend.
- Collaborated with the backend team to implement production-ready authentication workflows and improve application security.

Property Management System (PMS) *React.js, JavaScript, REST APIs*

- Worked with the frontend team on a live enterprise **Property Management System (PMS)** to develop and maintain user-facing modules.
- Built responsive UI components, integrated REST APIs, and resolved frontend issues to improve usability and performance.
- Supported feature development, testing, and cross-functional collaboration to ensure timely delivery of production releases.

HulkHire Tech 4 Aug 2025 - 27 Sep 2025
Java Developer Trainee *Hyderabad, India*

building a secure and scalable Stripe Payment Integration System using Java Spring Boot in a microservices architecture

Stripe Payment Integration System

Java, Spring Boot, Microservices, Stripe API

- Developed a secure and scalable **Stripe Payment Integration System** using **Java Spring Boot** in a **microservices architecture**.
- Implemented modular **payment-processing** and **stripe-provider** services and integrated Stripe PSP APIs including **Create Session, Retrieve Session, and Expire Session**.
- Implemented security using **Stripe Basic Authentication** and **HmacSHA256** for secure webhook notification processing.
- Developed **payment status tracking** to ensure reliable payment processing and transaction consistency.
- Designed **custom error codes** and applied **Spring exception handling** for robust error management.
- Processed **Stripe webhook events** and followed **RESTful API standards** while collaborating with the team on the end-to-end integration workflow.

EDUCATION

B.Tech in Computer Science and Engineering
Sri Aurobindo Institute of Technology, Indore (RGPV)
CGPA: 6.6/10

2022 – 2026

Class 12th – PCM
Madhya Pradesh Board

2022

Class 10th
Madhya Pradesh Board

2020

CERTIFICATIONS

- Neo4j Certified Professional [View Certificate](#)
- Walmart USA -Advanced Software Engineering [View Certificate](#)
- Infosys Springboard – Java Foundation [View Certificate](#)
- HulkHire Tech – Internship Completion Letter [View Certificate](#)
- Google Cloud – Cloud Computing Foundation [View Certificate](#)
- CII – Volunteer Participation Certificate [View Certificate](#)
- TCS - National Qualifier Test [Open...](#)

ACHIEVEMENTS

- Volunteered at **TieCon MP 2025**, responsible for managing the **registration process for investors and delegates**, ensuring smooth event coordination. [View Certificate](#)
